ROYAL

Welcome back.

A timeless icon. This is Royal. And now it's back with cutting-edge technology and high-level design.

Royal is a great Saeco classic in the OCS segment, appreciated worldwide, but with a new, strong identity.

A new vision of design.
MODERN BEAUTY.

MORE SPECIAL FEATURES

A bold design. A stylish image. Professional and functional components.
A capacitive interface with photo-realistic images and an iconographic display makes choosing beverages easier and provides the machine with a futuristic style.
High performance and a high-tech look. Royal is all this and more.
And it suits every workplace perfectly, from the most elegant to the most informal.

Shining details.

Taste.

The Range.

MORE VERSIONS FOR YOUR WORKPLACE

Royal has all the functions you need to make your coffee break even more enjoyable. It dispenses both coffee and hot water plus everything you need to manage fresh milk automatically.

The brewing unit, professional internal components and steel conical blades are wear-proof and guarantee your coffee is brewed to perfection. The

coffee dispenser can be set at different heights, from 75 to 160mm, allowing the machine to be used with different types of cups and glasses.

True to Saeco tradition, maintenance is simple and quick since the coffee brewing unit can be removed and washed.
